

**ANNEX 3.10 to PART III**  
**TIFF FILE HEADER SPECIFICATIONS**

The Contractor will not assume that generated TIFF files have proper default values in the TIFF header fields. At a minimum, ITU wishes to have the following information captured and embedded in each TIFF file header.

TIFF Tag	Tag Name	Description of value	Sample Text
271	Make	Scanner manufacturer	Kodak
272	Model	Scanner model name or number	
306	DateTime	Date and time image was scanned	yyyy:mm:dd hh:mm:ss
33432	Copyright	Copyright notice or Library name	International Telecommunication Union (ITU) Library and Archives Service
