Dear Bidders,

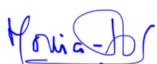

Please note the below raised questions and our official responses in connection to the aforementioned Invitation to Bid.

Item	Question	Answer
1	Do you accept delivery term “CPT Port of Mogadishu”?	Bids other than DAP specified locations under Inco Terms 2010 will be considered as non-compliant.

4	Geyser Safety valve- Is it possible to provide more detailed descriptions or drawings of the above items?	
5	Geyser thermostats - Is it possible to provide more detailed descriptions or drawings of the above items?	The thermostats should be suitable for both geysers as described in Item 2(50 litre) & Item 6 (200 litre)

7	<p>Pressure regulator, variable up to 8 bar, 1.1 - 1.5 kw, 16A, 50 - 60 Hz, 230V</p> <p>- Kindly specify the exact function / purpose of this pressure regulator?</p>	 <p>The pressure regulator switch is used to control the pumps which supply water. Switches pump on/off and maintains water pressure</p>
8	<p>Do you accept delivery term “CPT Port of Mogadishu”? We fully understand the text specified under section 4 saying DAP directly to four different camps but unfortunately we cannot insure goods during inland distribution within Somalia. Therefore we have to deliver to nearest sea-port. We can pack and duly mark all goods in separate creates/wooden boxes destination per destination enabling safe distribution from Mogadishu to each destination ... but all inland transport must be performed and arranged by UN.</p> <p>In other words:</p> <p>Is it a reason for disqualifying if delivery is quoted under “CPT Port of Mogadishu” and not directly to “DAP UNMAS Camps”?</p>	<p>Bids other than DAP specified locations under Inco Terms 2010 will be considered as non-compliant.</p>

This shall form part of the official solicitation documents. Please be guided accordingly.

Thank you.
