

FIRST ADDENDUM
to the RFP# UNFPA/VNM/15/02
A STUDY ON THE QUALITY OF FAMILY PLANNING SERVICES IN VIET NAM

Dear Sir/Madam,

Reference to the subject RFP, please find below questions asked by potential bidders and corresponding answers by UNFPA as addendum to the solicitation document:

No.	QUESTIONS	ANSWERS
1	Could UNFPA kindly confirm that a firm does not need to be registered in Viet Nam in order to be eligible to bid on these services?	It's stipulated in the RFP-Annex I: Instructions to Bidders that <i>"This bid is open to all national and international suppliers who are legally constituted, can provide the requested services, and have a valid registration in the country, or through an authorized representative"</i> . Thus, a firm does not need to be registered in Viet Nam in order to be eligible to bid on these services.
2	Given the timeframe and the vast coverage of the study from our own experience of conducting similar assignment, we would like to propose a 15 month timeframe to complete all the activities and deliverables described under each RFP. Please advise whether UNFPA would be amenable an extension of duration for the studies under both RFP-2015-01 and RFP-2015-02.	Given our budget plan, we could give a time frame of 9 months to complete this study.
3	If possible, please share with us the estimated budget for this study.	Our estimated budget for this study is ranging from USD120,000-130,000
