

## **Request for Proposals**

### **Development of Long Term Agreements (LTAs) for Provision of Equipment and Services for National Meteorological and Hydrological Early Warning Systems**

**RFP/UNDP/PSO CASE NO. 600187**

#### **ADDENDUM 2**

To all Bidders;

Dear Sir / Madam,

Please note that the following has been amended in the TORs:

#### **Section 3 TORs**

##### **b. Severe Weather Nowcasting:**

**The specifications listed in the TORs should be seen as a guideline for Performance Specifications but an alternative methodology that meets the same or similar requirements is acceptable for the Severe Weather Nowcasting System.**
