

Request for Information (RFI N°PTD/16/036)

Conference and Audio-Visual Systems Integration and Maintenance

Deadline for submission of responses: June 20, 2016

The World Intellectual Property Organization (WIPO) is one of 16 specialized agencies of the United Nations with the mandate to promote the protection of Intellectual Property throughout the world through cooperation among its Members States and in collaboration with other international organizations.

WIPO is launching a Request for Information (RFI) to identify possible suppliers who can implement conference and audio-visual systems integration and maintenance.

This RFI is not an invitation to tender.

Companies are invited to register at WIPO's e-Tendering System at <https://intendhost.co.uk/wipo/> (if it has not yet done so) and review all the documents related to RFI N° PTD/16/036, download the questionnaire in MS Word format (*Annex 2 – Questionnaire.doc*) and complete it offline, and using the same System, submit the completed document on or before the deadline indicated above.

Thank you.
