All correspondence, notification and bids in relation to this ITB shall be sent to the contact person and address set out in the Bid Particulars in Section I. Please note that the address for Bid Submission may be different.

2. INTERPRETATION OF THE ITB

This ITB is an invitation to treat and shall not be construed as an offer capable of being accepted or as creating any contractual, other legal or restitutionary rights.

No binding contract, including a process contract or other understanding or arrangement, will exist between the bidder and UNOPS and nothing in or in connection with this ITB shall give rise to any liability on the part of UNOPS unless and until the Contract is signed by UNOPS and the successful bidder.

3. AMENDMENTS TO THE ITB

Prior to the Deadline for Bid Submission, UNOPS may at its discretion modify the bidding documents by way of a written addendum. All written addenda to the bidding documents shall form part of the ITB.

In the event UNOPS modifies the ITB, UNOPS will notify in writing all bidders that have received the ITB from UNOPS of such modification.

In order to give the bidders reasonable time to take such modification into account, UNOPS may extend the Deadline for Bid Submission as may be appropriate under the circumstances.

4. BIDDER ELIGIBILITY

A bidder may be a private, public or government-owned legal entity or any association, including a joint venture or consortium with legal capacity to enter into a binding contract with UNOPS.

A bidder, and all parties constituting the bidder, may have the nationality of any country with the exception of the nationalities, if any, listed in the Bid Particulars in Section I.

Bidders acknowledge and agree that the ITB does not purport to contain all relevant information in relation to the works and is provided solely on the basis that bidders shall be responsible for making their own assessment of the matters referred to in the ITB, including the Contract (see Section V).

A site visit will be conducted for the purpose of providing background information only. Without limiting Article 6, bidders shall not rely upon any information, statement or representation made at a site visit unless that information, statement or representation is confirmed by UNOPS in writing.

11. CONTENT OF BID SUBMISSIONS

11.1

Returnable Bid Schedules

Bids shall include only a fully completed and dated set of the Returnable Bid Schedules, including only the information required by each Returnable Bid Schedule, either completed on the Returnable Bid Schedule document or annexed to the document, as the case may be, each signed in accordance with Article 19 by a person authorised by the bidder to bind it. The Returnable Bid Schedules are set out in Section IV.

11.2

Other Information

Bids submitted shall only include information required to be submitted in accordance with the ITB.

12. REMUNERATION FOR AND COSTS OF BIDS

Bidders shall not be entitled to any remuneration or compensation for the preparation and submission of their bid.

Bidders acknowledge that their participation in any stage of the bid process for this ITB is at the bidders' own risk and cost. UNOPS shall not be responsible for any costs or expenses incurred by bidders in the preparation and submission of bids or participation in the bid process, including as part of any clarification meeting or site or plant inspection.

UNOPS is not liable to bidders for any costs, expense or loss on any legal, contractual, quasi contractual or restitutionary basis incurred or suffered in connection with the ITB or bidders' participation in the bid process, including where:

- (i) clarifications and addenda are provided or not provided to bidders;

- (v) UNOPS exercises any rights under the ITB.

13. BID VALIDITY PERIOD

Bids shall remain valid for acceptance by UNOPS for the entire period set out in the Bid Particulars in Section I. A bid valid for a shorter period of time shall be rejected.

Prior to expiration of the bid validity period, UNOPS may request in writing that the bidders extend the validity of their bids with the same conditions. The bid of Bidders who decline to extend the validity of their bid shall become disqualified as no longer valid.

14. PARTIAL BIDS

Bidders shall respond to all applicable Returnable Bid Schedules and shall bid for all sections of the works. UNOPS will NOT accept bids for one or several sections of the works only, nor will UNOPS accept bids for only part of the works or part of any section of the works.

15. ALTERNATIVE BIDS

Alternative bids will not be evaluated unless stated otherwise in the Bid Particulars in Section I.

If a bidder submits an alternative bid, it shall mark the original bid as “Initial Bid” and any subsequent bid as “Alternative Bid”.

If the Bid Particulars in Section I do not state that alternative bids may be evaluated, and a bidder submits more than one bid:

- (i) All bids marked as “Alternative Bid” will be disqualified and only the bid marked as “Initial Bid” will be evaluated; or,
- (ii) All bids will be rejected if no indication is provided as to which bid is the original bid and which is/are the alternative bid(s).

If:

- (i) the Bid Particulars in Section I state that alternative bids may be evaluated;
- (ii) the bidder has submitted an Initial Bid and an Alternative Bid which meets the requirements of this Article 15; and
- (iii) the bidder's Initial Bid has been evaluated and that bidder has been assessed as the preferred bidder,

then UNOPS may consider, entirely in its own discretion, the Alternative Bid of the preferred bidder.

16. BID SECURITY

If the Bid Particulars in Section I state that bidders shall provide bid security, the bid security shall be in the form set out in Returnable Bid Schedule 2 – Form of Bid Security (see Section IV) and shall be for the amount set out in the Bid Particulars in Section I.

The bid security shall be issued by a reputable banking institution. Reputable banking institutions are banks certified by the central bank of the country where the bank is located, to operate as a commercial bank. UNOPS may, at its discretion, reject any bid security that does not comply with this requirement.

The bid security shall be valid for a period of 30 days beyond the Bid Validity Period, as may be extended, after which this bank guarantee will automatically become null and void, unless a dispute arises in relation to this bank guarantee.

UNOPS shall have the right to request payment under the bid security:

- (i) if the bidder withdraws its bid after the Deadline for Submission of Bids and prior to the end of the Bid Validity Period, as may be extended; or
- (ii) in the case of a successful bidder, if the bidder fails to sign the Contract resulting from this bid process in accordance with the terms and conditions set forth in its bid; or
- (iii) if the bidder fails to furnish a performance security in accordance with the Contract, if any is required.

Unsuccessful bidders shall liaise with UNOPS to collect their bid security, which UNOPS shall make available to bidders within fifteen days after it has expired.

17. BID CURRENCY(S)

Prices in the bid shall be quoted in the currenc(ies) stated in the Bid Particulars in Section I. If applicable, for comparison and evaluation purposes, UNOPS will convert the bid prices into USD at the official United Nations rate of exchange in force at the time of the Deadline for Bid Submission.

Bid Prices shall be fixed. Bids with adjustable Bid Prices shall be disqualified.

18. DUTIES AND TAXES

UNOPS is a tax exempt entity. All bids shall be submitted net of any direct taxes and any other taxes and duties, unless otherwise specified in the Bid Particulars in Section I.

19. BID FORMAT

A bid shall contain no interlineations, erasures, or overwriting. If necessary to correct errors made by a Bidder, hand written corrections to the bid may be made before the submission and/or the Deadline for Bid Submission. In this case, such corrections shall be initialed by the person or persons who signed the bid.

Bids shall be signed by the person authorized to do so in Returnable Bid Schedule 1 – Form of Bid (see Section IV). That person shall be authorized by the bidder to bind the bidder. A copy of such authorization shall be submitted along with the bid.

20. LANGUAGE OF BIDS

All bids, information, documents and correspondence exchanged between UNOPS and the bidders in relation to this bid process shall be in the language set out in the Bid Particulars in Section I.

Supporting documents may be submitted in their original language. If such language is different from that set out in the Bid Particulars in Section I, the supporting documents shall be submitted together with a translation of the supporting documents' relevant excerpts.

21. DEADLINE FOR BID SUBMISSION

All bids shall be received by UNOPS by no later than the time and date set out in the Bid Particulars in Section I. It shall be the sole responsibility of the bidders to ensure that their bid is received by the Closing Date. UNOPS may reject any bid received after the Deadline for Bid Submission.

Bids submitted after the Deadline for Bid Submission shall be rejected.

22. WITHDRAWAL, SUBSTITUTION, AND MODIFICATION OF BIDS

Prior to the Deadline for Bid Submission, a bidder may withdraw, substitute, or modify its bid after it has been submitted by sending a written notice to UNOPS. After the deadline for submission of the bids, however, the bids shall remain valid and open for acceptance by UNOPS for the entire Bid Validity Period, as may be extended.

If a bidder withdraws its bid after the Deadline for Submission of Bids and prior to the expiration of the Bid Validity Period, as may be extended, UNOPS may retain the bidder's Bid Security, if any has been required in accordance with Article 16.

Bid for which withdrawal has been requested prior to the deadline for submission of the bids shall be made available for collection by the bidder that submitted it within 15 days of its withdrawal. Otherwise, UNOPS shall have the right to discard such bid unopened without further notice to the Bidder. UNOPS shall not be responsible to return the bid to the Bidder at UNOPS' costs.

23. BID SUBMISSION

All bids shall be submitted to UNOPS in accordance with the requirements set out in this ITB.

Bids that are not submitted in accordance with the provisions set out in this ITB shall be rejected.

24. OPENING OF BIDS

Bids will be opened at the time and location, and in accordance with the requirements, set out in the Bid Particulars in Section I.

Bidders may attend the opening of the bids. However, they shall not be allowed to attend the evaluation of the bids.

25. EVALUATION METHOD AND CRITERIA

UNOPS shall evaluate bids and select a preferred bidder pursuant to Section III of this ITB.

26. OTHER UNOPS RIGHTS

27. COLLECTION OF REJECTED OR UNSUCCESSFUL BIDS

UNOPS shall not return any rejected or unsuccessful bids to the bidders, except for late bids, which will be available for collection by the bidders within fifteen days of the rejection.

- (ii) not be used for any purpose other than the purpose of preparing a bid; and
- (iii) be immediately returned to UNOPS in the event the bidder declines to respond to this ITB, or, in the event of a rejected or an unsuccessful bid,

within fifteen days of being notified by UNOPS that its bid was rejected or unsuccessful.

All information and documents provided to the bidders by UNOPS shall not be disclosed to any third party, except:

- (i) with the prior written consent of UNOPS;
- (ii) where the third party is assisting a bidder in preparing the bid, provided the bidder has previously ensured that party's adherence to this duty of confidentiality;

- (iv) if required by law, and provided that the bidder has previously informed UNOPS in writing of its obligation to disclose the information or documents; or
- (v) if the information is generally and publicly available other than as a result of breach of confidence by the person receiving the information.

29. ETHICS AND CORRUPT PRACTICES

UNOPS requires that all bidders observe the highest standard of ethics during the entire bid process, as well as the duration of any contract that may be awarded as a result of this bid process. Therefore, all bidders shall represent and warrant that they:

- (i) have not unduly obtained, or attempted to unduly obtain, any confidential information in connection with the bid process and any contract that may be awarded as a result of this bid process;
- (ii) have no conflict of interest that would prevent them from entering into a contract with UNOPS, and shall have no interest in other bidders or parties involved in this bid process or in the project underlying this bid process;
- (iii) have not engaged, or attempted to engage, in any Corrupt Practices in connection with this bid process or the contract that may be awarded as a result of this bid process. For the purposes of this provision, Corrupt Practices shall mean any of the following:
 - bribery: the act of unduly offering, giving, receiving or soliciting anything of value to influence the process of procuring works, or executing contracts;
 - extortion or coercion: the act of attempting to influence the process of procuring works, or executing contracts by means of threat of injury to person, property or reputation;
 - fraud: the misrepresentation of information or facts for the purpose of influencing the process of procuring works, or executing the contracts, to the detriment of UNOPS or other participants; or
 - collusion: the agreement between bidders designed to result in bids at artificial prices that are not competitive.

- (iv) have not been involved in, either directly or indirectly, nor have they funded, either directly or indirectly, any terrorist activities, notably upon basis of the consolidated list of individuals belonging to or associated with terrorist entities as established and maintained by the United Nations 1267 Committee.

In the event that a bidder fails to comply with any of the above representations and warranties, UNOPS shall have the right to reject the bid submitted by such bidder, and to terminate any contract that may have been awarded as a result of this bid process immediately upon notice, without any liability for termination charges or any other liability of any kind of UNOPS. In addition, the bidder may be precluded from doing business with UNOPS and any other entity of the United Nations System in the future.

30. AUDIT

Any bidder participating in this bid process shall agree to cooperate with the Office of Internal Oversight Services of the United Nations, UNOPS Internal Audit and Investigations Group as well as with any other investigation units authorized by UNOPS Executive Director and UNOPS Ethics Officer to investigate any allegation of misconduct, and in particular any allegation of a breach of Article 29 above, in connection with this bid process or any contract that may be awarded as a result of this bid process.

In cooperating with UNOPS, the bidders shall give access to UNOPS, upon written request, to all employees, representatives, agents and assignees, as well as to all documents, records and other elements of the bidder that may be required to conduct such investigation. The failure of a bidder to comply with any of the above representations and warranties shall give UNOPS the right to disqualify the bid submitted by such bidder, and to terminate any contract that may have been awarded as a result of this bid process immediately upon notice, without any liability for termination charges or any other liability of any kind of UNOPS. In addition, the bidder may be precluded from doing business with UNOPS and any other entity of the United Nations System in the future.

31. BID PROTEST

Any bidder that believes to have been unjustly treated in connection with this bid process or any contract that may be awarded as a result of such bid process may submit a complaint to UNOPS' General Counsel. More information about bid protests can be found on UNOPS' website at www.unops.org.

SECTION III EVALUATION METHOD AND CRITERIA

1. EVALUATION METHOD

Bids shall be evaluated according to a three-step procedure:

1. Bids shall be checked for substantial responsiveness to eligibility and formal criteria.
2. Bids passing eligibility and formal criteria shall be evaluated for substantial responsiveness to technical and qualification criteria.
3. UNOPS shall compare all substantially responsive bids to determine the lowest priced substantially compliant bid(s) for the works, analysing all relevant costs, risks and benefits of each bid throughout the whole life cycle of the works and in the context of the project as a whole. The lowest priced bid will not necessarily be accepted.

2. DETERMINATION OF RESPONSIVENESS OF BIDS

Determination of a bid's responsiveness shall be based on the contents of the bid itself.

- 36.1. A substantially responsive Bid is one that conforms to all the terms, conditions, and specifications of the ITB without material deviation, reservation, or omission. A material deviation, reservation, or omission is one that:
- (a) affects in any substantial way the scope, quality, or performance of the works specified in the Contract; or
 - (b) limits in any substantial way, inconsistent with the ITB, UNOPS's rights or the Bidder's obligations under the Contract; or
 - (c) if rectified would unfairly affect the competitive position of other Bidders presenting substantially responsive bids.
- 36.2. UNOPS considers material deviation to include but not to be limited to the following situations:
- (a) During preliminary examination of bids:
 - The bidder does not fulfil the eligibility criteria of the ITB.
 - Lack of proper bid securities in terms of change in the wording (not consistent with the prescribed format), amount, or validity period.
 - Absence of bid form, change in the wording (not consistent with the prescribed format) or lack of signature of key portions of the bid form.
 - The Bidder does not accept important Contract conditions, i.e. related to Performance Security, Warranty, Force Majeure, Applicable Law, Delivery Schedule, Payment Terms, Limitation of Liability, etc.
 - Non-historical documents required in the ITB, i.e. documents specifically related to the tender that the Bidder could not be expected to possess before the ITB was issued, have not been provided.
 - (b) During evaluation of bids for compliance to technical and qualification requirements:
 - Scope and specifications of the works vary in one or more significant respect(s) from the scope of works defined in the ITB.
 - The Bidder does not meet the minimum qualification requirements defined in the ITB.
 - (c) During financial evaluation of bids:
 - The Bidder does not accept the required price correction as per ITB conditions.
 - The Bidder alters the Bill of Quantities without prior authorization by UNOPS.

- 36.3. If a bid is not substantially responsive to the Bidding Documents, it shall be rejected by UNOPS and may not subsequently be made responsive by the Bidder by correction of the material deviation, reservation, or omission.

3. NONCONFIRMITIES, ERRORS AND OMISSIONS

- 37.1. Provided that a Bid is substantially responsive, UNOPS:
- (a) may waive any non-conformities or omissions in the Bid that do not constitute a material deviation.
 - (b) may request that the Bidder submit the necessary information or documentation, within a reasonable period of time, to rectify non-material nonconformities or omissions in the bid related to documentation requirements. Such omission shall not be related to any aspect of the price of the Bid. Failure of the Bidder to comply with the request may result in the rejection of its Bid.
 - (c) shall correct arithmetical errors on the following basis:
 - If there is a discrepancy between the unit price and the line item total that is obtained by multiplying the unit price by the quantity, the unit price shall prevail and the line item total shall be corrected, unless in the opinion of UNOPS there is an obvious misplacement of the decimal point in the unit price, in which case the line item total as quoted shall govern and the unit price shall be corrected;
 - if there is an error in a total corresponding to the addition or subtraction of subtotals, the subtotals shall prevail and the total shall be corrected; and
 - if there is a discrepancy between words and figures, the amount in words shall prevail, unless the amount expressed in words is related to an arithmetic error, in which case the amount in figures shall prevail subject to (a) and (b) above.
- 37.2. If the Bidder that submitted the lowest evaluated Bid does not accept the correction of errors, its Bid shall be rejected and its Bid Security may be forfeited.

4. EVALUATION OF LOTS OR INTER-RELATED TENDER PROCESSES

Bidders are allowed to bid for one or more lots of an ITB or for one or more inter-related ITBs. Inter-related ITBs are the ones that:

- (a) are issued by the same Operational Hub or Project Centre for the same country;
- (b) have bid submission deadlines that are within +/- 15 days from each other; and
- (c) are evaluated concurrently.

In case of an ITB with multiple lots or when multiple inter-related ITBs are issued, UNOPS may award **maximum (3) Three Contracts to a Bidder under RAIP-IV (during year 2017)** after determining the lowest evaluated lot or bid combinations, for which UNOPS shall:

- (a) take into account the lowest priced substantially compliant bid for each lot or ITB; and
- (b) where a bidder does not meet all qualification criteria for all the lots or ITBs for which it is lowest priced substantially compliant, UNOPS will award contracts resulting from each of the affected ITBs in a manner which achieves the best overall value-for-money combination for UNOPS. Therefore, in situations whereby a Bidder has offered the lowest evaluated bid price (i.e. the L1 Bidder) for more than one lot or ITB and at the qualification stage of the evaluation, it is determined that the Bidder does not meet some qualification requirements for all the lots or ITBs, UNOPS shall proceed as follows:

- (1) A price comparison lot or ITB wise shall be made for the L1 Bidder with the second lowest bid price (i.e. L2 Bidder).
- (2) The price difference between the L1 offer and the offer of the L2 Bidder for each lot or ITB shall then be calculated.
- (3) In order to achieve the highest savings and select the most cost effective combination of multiple offers for the final recommendation of award, the ITBs where the price differences between the L1 offer and the offer of the L2 Bidder are higher shall be awarded to the L1 Bidder until the combinations of all lots awarded to the L1 Bidder reaches the value that could be awarded to the L1 Bidder taking into account the qualification requirements as stated in the ITBs (e.g. capacity, turnover, liquid asset, maximum contract value, etc.).
