**Posting Date:** 11 October 2017

---

United Nations Educational, Science and Cultural Organization (UNESCO) hereby invite qualified companies to submit sealed tenders to conduct an **Evaluation of the Global Education Monitoring Report (GEM Report) Programme 2015-2017**.

The Global Education Monitoring (GEM) Report has the mandate to monitor education in the 2030 Agenda for Sustainable Development with particular emphasis on the global goal on education, sustainable development goal (SDG) 4, which aims to ensure inclusive, equitable, and quality education and promote lifelong learning opportunities for all. It is an editorially independent report, hosted and published by UNESCO.

The purpose of this evaluation is to determine how effectively the GEM Report fulfils its mandate. Taking into account the findings and recommendations of the previous external evaluations, it will assess the relevance, effectiveness, and impact of the GEM Report (in particular with reference to the 2015, 2016 and 2017/8 editions) as well as its efficiency and challenges. It will analyse its achievements within the current context, identify lessons learned and make recommendations on how to improve future editions considering the comparative strengths of the GEM Report and the multi-stakeholder environment within an evolving global context in which it operates.

The purpose of this notice is to provide general information on the requirements for the procurement process and to inform interested suppliers how to obtain a copy of the Solicitation Documents.

Interested companies who wish to participate in the OIC must request for a complete set of Solicitation Documents, available free of charge, from UNESCO contact person at the address shown below.

The sealed tenders must be delivered to the UNESCO Headquarters in Paris on or before **13 November 2017 23:59 CET Paris**, in strict compliance with the instructions as stipulated in the Solicitation Documents.

UNESCO reserves the right to amend the documents at any time during the solicitation process. Any amendments or clarifications will be communicated directly to all Bidders who have requested for a complete set of solicitation documents and officially confirmed their intention to submit a sealed tender. No remuneration will be made to companies for preparation and submission of their tenders.
