Nr.	Question/Comment Bidder	IAEA Answer
1	Please mention the place of performance.	Vienna (Austria)
2	Do you allow companies based in US to bid for this RFP?	Yes
3	Would you allow remote work for this requirement?	As per the statement of work, the following activities are required to be done on-site in Vienna: [4.1.1] 1) Initial engagement kick-off; 2) Any needed stakeholder interviews. We also expect the two or three potential presentations to the IAEA's senior management mentioned in [4.7.5] to be done in person in Vienna, Austria if they happen.
