**Subject: Response to Bidders Request for Clarification: ITB-072/18 – Rehabilitation of 3 Substations**

Bidders are advised of the following response to request for clarifications:

Question	Response
<p>Kindly, we need some answers about ITB-072-18 (Compliance Sheets for Rehabilitation of WM 132kV Mobile SS) compliance sheet in order to complete filling specifications:</p> <p><b>Q1-</b> in 132kV Circuit-Breaker item-4 Required: VBT-12053B, Meidensha , which is 31.5kA Rated short circuit breaking current; in item-11 required rated short circuit breaking current/duration is 40/1sec kA/s. Also VBT-120532B, Meidensha circuit-Breaker is 630A Rated current; but the required in item-10: 1250A. so we need clarifications about these items.</p>	<p>The existing Circuit breaker short circuit is 31.5kA/1sec.</p>
<p><b>Q2-</b> Could we offer another product which it will be more convenience in both delivery time and will minimize space had been taken by these old equipment ( as Hybrid Switchgear / compact switchgear )?</p>	<p>Equivalent offer can be accepted if and only if:</p> <ol style="list-style-type: none"> <li>1- The offered equipment complies with Iraqi technical specifications and related IEC Standards.</li> <li>2- Bidders cover the cost for all Mechanical and electrical adaptation, Technical and schematic drawings modifications.</li> <li>3- Confirmation and warranty that the equivalent offer will match completely with the existing system without any future problems.</li> </ol> <p>Furthermore, it is recommended that bidders offer</p>

	documents to show that similar adaptation been carried out successfully.
Second round of site visit	<p>Due to the requests of some bidders, a second round of site visit is scheduled on Sunday, 4 March 2018, from 10:00 hours – 14:00 hours.</p> <p>Contact person for the site visit is:  Eng. Himadad Tahir Bahri  Email: <a href="mailto:himdad1980@yahoo.com">himdad1980@yahoo.com</a>;  Tel: 00964 (0) 750 464 7315</p>
Extension of deadline of submission	To give enough time for bidders to prepare their bid after the site visit, the deadline of submission of bids has been extended from 6 March 2018 till 8 March 2018.

Please be guided accordingly.
