UNOPS

UNOPS

UNOPS helps the UN and its partners provide peace and security, humanitarian and development solutions.

Our mission is to help people build better lives and countries achieve peace and sustainable development.

We are focused on **implementation**, committed to **UN values** and **private sector efficiency**.

Our partners call on us to improve **speed**, **reduce risks**, boost **cost-effectiveness** and **increase quality**.

In 2017 - through more than **900 projects** - we delivered more than **$1.8 billion** worth of support to our partners, mainly in **fragile and conflict affected environments**.

OUR EXPERTISE

In addition to providing tailored services, we offer five core service lines in support of our partners objectives:

INFRASTRUCTURE | PROCUREMENT | PROJECT MANAGEMENT

FINANCIAL MANAGEMENT | HUMAN RESOURCES

All our services can be deployed as self-standing offerings in response to specific demand, or as integrated solutions depending on partner needs.
